## MOUNTAIN CONDITIONS

### Mainly Sunny Skies Today

Good morning, skiers and boarders! We are expecting a beautiful spring day today, with the forecast calling for mainly sunny skies and a base area high of 10°C. Our slopes have received 4 cm of fresh snow in the last 48 hours, for a season total of 566 cm. Snow coverage remains excellent resort-wide, and guests can expect spring snow conditions on the lower mountain and winter-like snow in the alpine. Nine lifts will be in operation today, servicing 148 runs and four terrain parks. We hope you have a great day on the slopes!

**Snow conditions:** Variable spring surface conditions with a mix of tracked, firm packed, and machine-groomed snow.
